**Our case ref: C/2022/11889**

Dear Professor Graeber

As I previously advised, we are making a further assessment of your complaint after receiving details of ICAC's decision not to investigate.

ICAC's letter to you refers to concerns you raised about fabricated 'misconduct cases' against you and threatened to 'terminate you'.

I phoned you earlier today in the hope of discussing this issue and left you a voicemail.

Can you please confirm whether the University took any formal disciplinary action against you? And if so, could you provide me with copies of all relevant correspondence between you and the University on this matter.

Please feel free to phone me on 9055 1165 to discuss.

Kind regards  
Steve
